

To all our fans and friends from all over the US, Australia, New Zealand and Canada. Thank you for all your support, donations, purchases and just your encouragement on the forums, facebook and in person.

As we said at the beginning of our legal issues with WRG that we would post a list of everyone that supported our cause, either by donation, apparel purchases, or any form of support. We will attempt to compile that list, in no particular order other than by name and hometown. From November 1st until January 7th. You may see a name on the list twice and that is because they made a donation and a purchase, or was the high bidder in the Auction. *Denotes Donation
